LICENSE OF COPYRIGHT

1. LICENSE OF COPYRIGHT.

1.1 The Author hereby grants to the Journal a royalty-free, worldwide nonexclusive license:

- (a) to publish, reproduce, display, distribute, and use the Article in any form, either separately or as part of a collective work, including but not limited to a nonexclusive license to publish the Article in an issue of the Journal;
- (b) to copy and distribute individual reprints of the Article, authorize reproduction of the entire Article in another publication; and
- (c) to authorize reproduction and distribution of the Article or an abstract thereof in electronic media and by means of computerized retrieval systems (such as Westlaw, Lexis and SSRN) and similar forms.

1.2 The Author retains ownership of all rights under copyright in the Article, and all rights not expressly granted in this Agreement.

1.3 The Author grants to the Journal the power to assign, sublicense or otherwise transfer any and all licenses expressly granted to the Journal under this Agreement.

2. AUTHOR'S RIGHTS TO REPUBLISH AND DISTRIBUTE

2.1 The Author agrees to require that the Journal be given credit as the original publisher in any republication of the Article authorized by the Author. If the Journal authorizes any other party to republish the Article under the terms of sections 1.1 and 1.2 of this Agreement, the Journal shall require such party to ensure that the Author is credited as the Author.

2.2 The Author agrees to notify the Journal in writing of the Author's intent to publish the Article in another publication within one (1) year of the execution of this agreement. If Author publishes the Article in another publication within one year of the execution of this Agreement, the Journal shall not be obligated to publish the Article.

3. EDITING OF THE ARTICLE

3.2 The Journal agrees to publish the Article subject to the understanding that the Article will not be published in the Journal unless, in its final form, the Article is acceptable to both the Author and the Journal.

4. PARTIES' COMMITMENTS

4.1 Journal's Covenant

(a) The Journal's acceptance of and agreement to publish the Article is conditioned upon the Journal's ability to verify the Author's research. If the Journal is unable to verify references, the references will be deleted. If the Journal is unable to verify a materially large number of references, the Journal may refuse to publish the Article.

(b) The Journal promises to send to the Author, within a reasonable time after the Article has been published, an electronic copy of the published version of the Article if the Journal has such a copy within its possession, custody or control at or about the time of publication, and as part of the Journal's normal publishing operations.

(c) If the Journal is unable to send to the Author an electronic copy of the Article under the terms of section 4.1 of this Agreement, the Journal promises to send to the Author a copy of the final electronic file supplied by the Journal to Journal's printer within a reasonable time after the Article has been published.

(d) The Journal agrees to properly affix the Author's copyright notice to all reproductions of the Article.

4.2 Author's Covenant

(a) The Author may not withdraw the Article from the Journal's publication process after this agreement becomes effective. However, the Author reserves the right to remove his or her name from the Article prior to publication.

(b) Once this Agreement becomes effective, the Author is committed to publishing the Article with the Journal. The Author agrees to comply with draft deadlines and make all reasonable and necessary efforts to work expeditiously with the Journal in the editorial and publication processes.

5. WARRANTIES

5.2 The Author warrants and represents that the Article is fully original to the Author. Any discovery of plagiarized material in the text or footnotes of the Article will be grounds for the Journal's refusal to publish the Article.

5.3 The Author represents and warrants that the Author has full power and authority to enter into this Agreement and to grant the licenses granted in this Agreement.

5.4 The Author represents and warrants that the Article furnished to the Journal has not been published previously. For purposes of this paragraph, making a copy of the Article accessible over the Internet, including, but not limited to, posting the Article to a database accessible over the Internet, does not constitute prior publication so long as the as such copy indicates that the Article is not in final form, such as by designating such copy to be a "draft," a "working paper," or "work-in-progress."

5.5 The Author agrees to indemnify and hold harmless the Journal, the Publisher, and their licensees and distributees, from any claim, action, or proceeding arising from breach of any warranty enumerated in this Agreement.

6. TERM

This Agreement shall remain in effect for as long as copyright protection subsists in the Article.

7. PAYMENT

7.1 The Author agrees and acknowledges that the Author will receive no payment from the Journal or the Publisher for use of the Article or the licenses granted in this Agreement.
